

The 6th Annual Adam Webster Memorial Fund Event

Saturday, June 16, 2007

6:00 PM

Santa Cruz Yacht Club

**Dinner
Silent Auction
Live Music**

This year's dinner is going to take you to another part of the world. Chef Ron has designed a dinner influenced by Asian cuisine which is an integral part of many of the Hawaiian dishes and bound to satisfy even the most discriminating palate. As in years past, we will begin the evening with some very tasty hors d'oeuvres that will begin the travel to exotic food regions. There will be Silent Auction items for you to look through, chances to win the Pot-O-Gold, and dancing to the tunes of JazzA Quartet.

So, mark your calendars for Saturday, June 16th and come help people with severe disabilities experience our Oceans first hand and learn about how what we do here on the shore affects the creatures of the sea.

Tickets will go on sale on May 1st. Last year was a sell out, so don't wait because seating is limited. Tickets will be \$55.00 per person. All proceeds go to the Adam Webster Memorial Fund which is part of the O'Neill Sea Odyssey program. To find out more about the program, please go to www.oneillseaodyssey.org.

Judy and I look forward to seeing you there. Call us at (831) 425-0331 to make reservations.
