A message to the friends and family of Bob Fletscher

Bob Fletscher was an avid fisherman who loved the ocean. A few days ago, Bob was fishing on a boat out of the Santa Cruz Harbor. After dropping his line, he suffered a heart attack. He subsequently passed away, leaving friends and family, who will hold a memorial service on Sunday, August 6.

Because of his love for the sea, Bob Fletscher's family has designated O'Neill Sea Odyssey as a recipient of memorial contributions in his name. On behalf of the Board of Directors and staff of O'Neill Sea Odyssey, I wish to extend our condolences to Bob Fletscher's friends and family.

Sincerely,

A handwritten signature in black ink, appearing to read "Dan Haifley", is written over a light-colored rectangular background.

Dan Haifley
Executive Director
O'Neill Sea Odyssey
