**DO YOUR HOLIDAY SHOPPING ONLINE TO SUPPORT OSO's FREE,  
OCEAN YOUTH PROGRAM**

As the holidays approach, it's time to think about gift shopping. O'Neill Sea Odyssey wants to give you an opportunity to shop online at [www.oneillseaodyssey.org](http://www.oneillseaodyssey.org) for gifts that will make a difference in our local community.

You can shop for authentic O'Neill Sea Odyssey t-shirts and sweatshirts, and for the locally produced, beautiful photo book entitled: "Reflections of the Santa Cruz Harbor: A Portal to Monterey Bay." All proceeds from these purchases support O'Neill Sea Odyssey's free, youth science and ecology program aboard a 65-foot catamaran sailing Monterey Bay. In ten years, over 32,000 kids have participated, and have learned responsible environmental stewardship while enriching their academic lives.

Enjoy secure shopping at <http://www.oneillseaodyssey.org/sponsorship/>, click on "Shop OSO", and make a difference right here at home.
